Re: U.S. Serial No.: 09/911,367
Applicants: Clark R. Landis *et al.*
Docket No.: 032026-0594
DIAZAPHOSPHACYCLES

Filed: July 23, 2001
Group Art Unit: 1625
Date: March 5, 2002

Dear Ms. Riley:

We recently received the attached Notice of Incomplete Reply (Nonprovisional) with respect to the above-described United States patent application. The Notice of Incomplete Reply indicates that Applicants' reply to the Notice to File Missing Parts has been entered, but did not include the signature of one of the inventors, Jonathan S. Owen. Applicants submit that a complete reply to the Notice to File Missing Parts was filed on November 30, 2001.

Attached please find a copy of the return postcard filed on November 30, 2001 along with Applicants' response to the Notice to File Missing Parts. The OIPE stamped postcard shows that the filed response included each of the items necessary for responding to the Notice to File Missing Parts. Specifically, the return postcard indicates that Applicants included 2 signed Declaration and Power of Attorney forms in their response filed November 30, 2001. One of the signed Declaration and Power of Attorney forms included the signature of 3 of the 4 inventors (Clark R. Landis, Wiechang Jin, and Thomas P. Clark) and the other signed Declaration and Power of Attorney form included the signature of the fourth inventor, Jonathan S. Owen. A copy of the Declaration and Power of Attorney form that includes the signature of Jonathan S. Owen is attached to this facsimile.

Because Applicants completely and appropriately responded to the Notice to File Missing Parts, Applicants respectfully request that the Notice of Incomplete Reply be withdrawn. Applicants also respectfully request written confirmation that the response filed November 30, 2001 was complete and adequate in responding to the Notice to File Missing Parts dated September 26, 2001.

Respectfully submitted,

Bernard P. Friedrichsen, Reg. No. 44,689

NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Filing Date Granted

The U.S. Patent and Trademark Office has received your reply on 01/11/2002 to the Notice to File Missing Parts (Notice) mailed 09/26/2001 and it has been entered into the nonprovisional application. The reply, however, does not include the following items required in the Notice.

The period of reply remains as set forth in the Notice. You may, however, obtain EXTENSIONS OF TIME under the provisions of 37 CFR 1.136 (a) accompanied by the appropriate fee (37 CFR 1.17(a)).

A complete reply must be timely filed to prevent ABANDONMENT of the above-identified application.

The required items noted below SHOULD be filed along with any items required above. The filing date of this nonprovisional application will be the date of receipt of the items required above.

- The signature of the following inventor(s) is missing from the oath or declaration:
Jonathan S. Owen

A copy of this notice MUST be returned with the reply.

DECLARATION AND POWER OF ATTORNEY

As a below named inventor, I HEREBY DECLARE:

THAT my residence, post office address, and citizenship are as stated below next to my name;

THAT I believe I am the original, first, and sole inventor (if only one inventor is named below) or an original, first, and joint inventor (if plural inventors are named below or in an attached Declaration) of the subject matter which is claimed and for which a patent is sought on the invention entitled

DIAZAPHOSPHACYCLES

(Attorney Docket No. 032026-0594)

the specification of which (check one)

 is attached hereto.

 X was filed on July 23, 2001 as United States Application Number 09/911,367.

THAT I do not know and do not believe that the same invention was ever known or used by others in the United States of America, or was patented or described in any printed publication in any country, before I (we) invented it;

THAT I do not know and do not believe that the same invention was patented or described in any printed publication in any country, or in public use or on sale in the United States of America, for more than one year prior to the filing date of this United States application;

THAT I do not know and do not believe that the same invention was first patented or made the subject of an inventor's certificate that issued in any country foreign to the United States of America before the filing date of this United States application if the foreign application was filed by me (us), or by my (our) legal representatives or assigns, more than twelve months (six months for design patents) prior to the filing date of this United States application;

THAT I have reviewed and understand the contents of the above-identified specification, including the claim(s), as amended by any amendment specifically referred to above;

THAT I believe that the above-identified specification contains a written description of the invention, and of the manner and process of making and using it, in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the invention, and sets forth the best mode contemplated by me of carrying out the invention; and

THAT I acknowledge the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in Title 37, Code of Federal Regulations, §1.56.

I HEREBY CLAIM foreign priority benefits under Title 35, United States Code § 119(a)-(d) or § 365(b) of any foreign application(s) for patent or inventor's certificate, or § 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below any foreign application for patent or inventor's certificate or of any PCT international application having a filing date before that of the application on which priority is claimed.

Prior Foreign Application Number	Country	Foreign Filing Date	Priority Claimed?	Certified Copy Attached?

I HEREBY CLAIM the benefit under Title 35, United States Code § 119(e) of any United States provisional application(s) listed below.

U.S. Provisional Application Number	Filing Date

I HEREBY CLAIM the benefit under Title 35, United States Code, § 120 of any United States application(s), or § 365(c) of any PCT international application designating the United States of America, listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States or PCT International application in the manner provided by the first paragraph of Title 35, United States Code, § 112, I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations, § 1.56 which became available between the filing date of the prior application and the national or PCT international filing date of this application.
